IVAN DENKOGLOU AND HIS MOSCOW SCHOLARSHIP STUDENTS

(Summary)

The article is dedicated to the scholarship students of the well-known benefactor Ivan Nikolaevich Denkoglou at the University of Moscow. On the basis of published and unpublished sources it tries to reconstruct their life and professional path. The main research question is whether their activities fulfil the benefactor's hopes. In this context, the question about the influence exerted by Russia through the people, who accomplished their higher education within its borders, is inevitably raised.

Keywords: Russia, Nikola Mihaylovski, Sava Filaretov, Hristo Stoyanov.
